Please join Philadelphia Water in proudly naming
Popi's Italian Restaurant a Stormwater Pioneer.

Philadelphia Water created the Stormwater Pioneers program in 2014 to recognize excellence in stormwater management on private properties throughout the City. We are excited to celebrate the work of **Popi's co-owner, Gina Rucci**, and the stormwater management team including **Lakash Constructors, Wilkinson & Associates** and **Ruppert Landscape** for their part in protecting the health of Philadelphia's rivers and streams through excellent site design.

Date: Tuesday, November 17th

Time: 10:30 AM

Location: 3120 S 20th St
